WOODIN' IT

ABOUT US

Albastojku is a company that sets trends in the furniture industry in Albania.

It possesses key positions in the market and in the geographical position in the central area of the country, thus connecting the north and the south with its offers.

Cultivation of the professional spirit and respect for the work performed by Albastojku, expressed daily in a working area of 24,000 m² and with capacities annual processing exceeding 15,000 m³, which gives it the leading position in shop.

High quality work, competitive prices and superior technology in the processing of Melamine, MDF and plasticization, always bring a high level of customer satisfaction and flexibility to developments in the market or in technology.
